How to Buy TENDOG

Join the TenderDog pack in 4 simple steps!

Step 1 - Create Your Canine Wallet

Download the Phantom app (the favorite of digital dogs!) or Solflare and complete the setup process. For the best experience, we recommend installing it as a browser extension on your PC. It's like teaching new tricks to your virtual dog!

Step 2 - Get Your \$SOL (They're like TENDOG's kibble!)

You can obtain SOL by buying it directly through Phantom, transferring it from another wallet, using a bridge from any blockchain, or purchasing it on a centralized exchange like Binance, Bybit, or Coinbase and then transferring it to your wallet. It's like filling the food bowl of your new digital best friend!

Step 3 - Swap Your \$SOL for \$TENDOG

Tap the SWAP icon in your Phantom wallet, enter the \$TENDOG token address, and exchange your \$SOL for \$TENDOG. It's like trading an old ball for an exciting new toy for your dog!

Step 4 - Congratulations, You're Now Part of the \$TENDOG Pack!

Welcome to Solana's most fun adventure. \$TENDOG is excited to have you on board. Get ready to bark with joy with every rise and wag your tail with every new update!

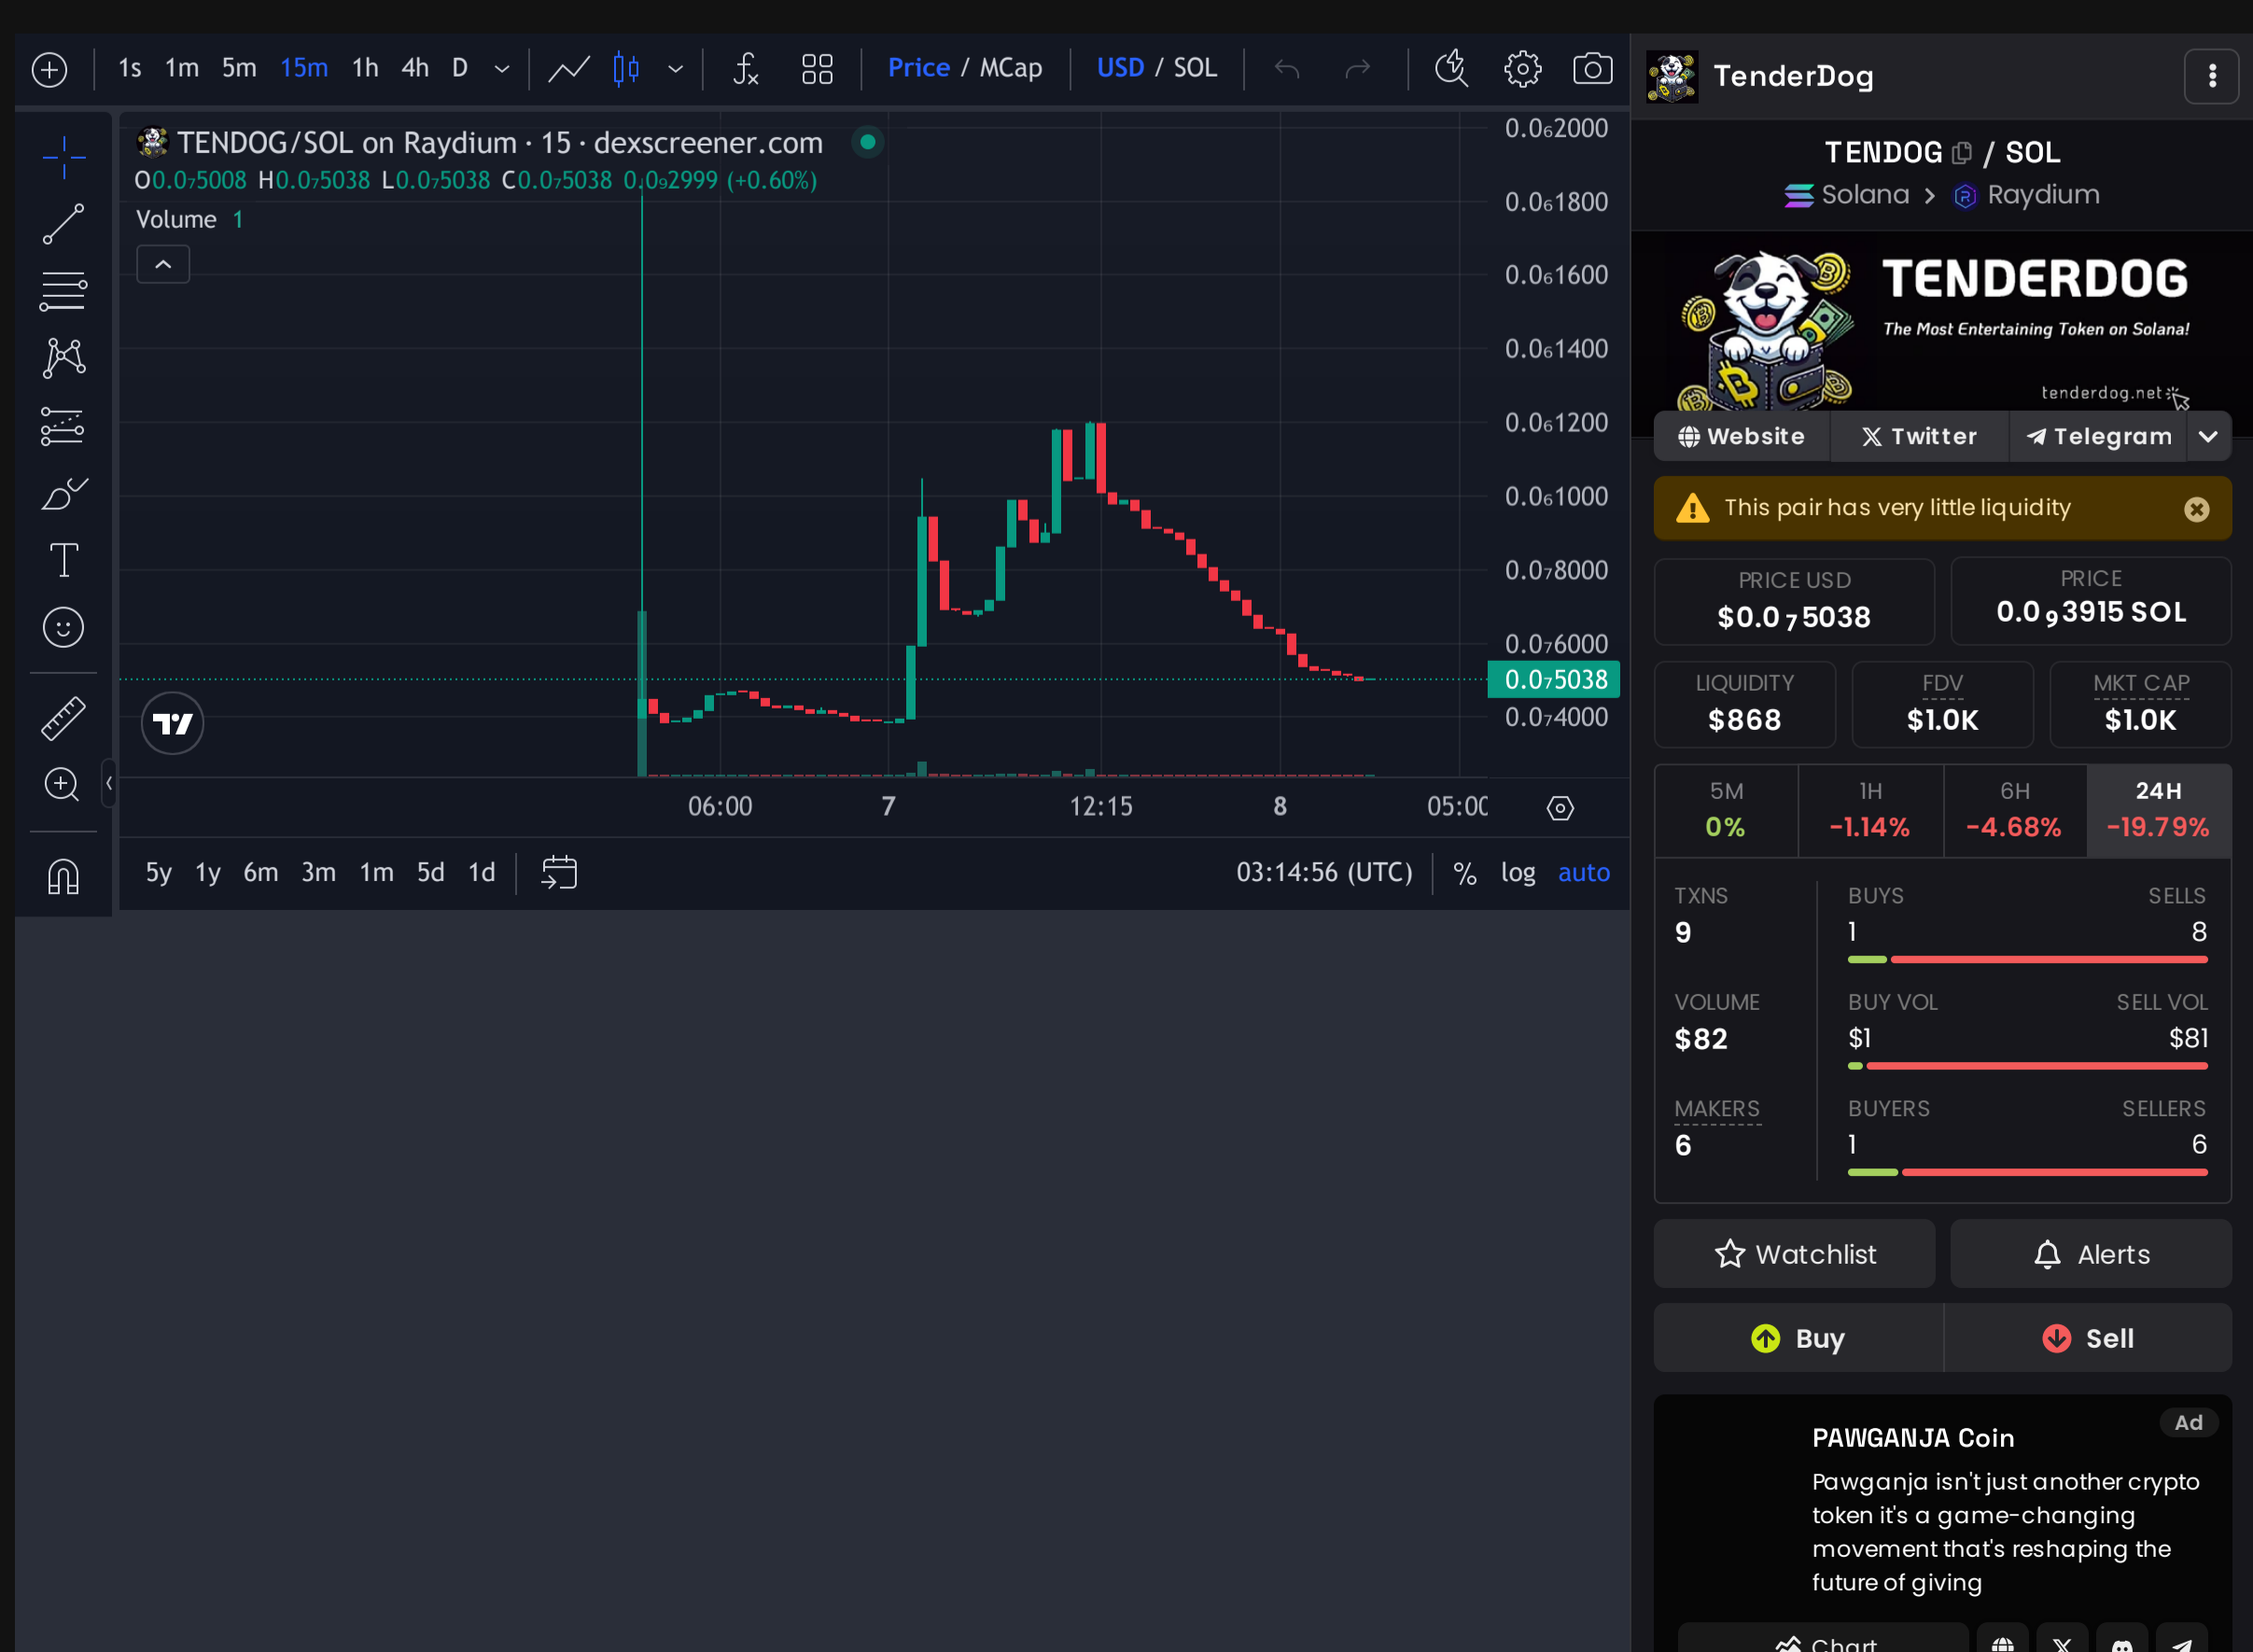

Ready to start your walk through the world of cryptocurrencies with the most loyal companion? Start now!
